

**From the wonderful, simple wisdom of Mother Teresa:**

"People are often unreasonable, illogical, and self-centered –

***Forgive them anyway.***

If you are kind, people may accuse you of selfish or ulterior motives –

***Be kind anyway.***

If you are successful, you will win some false friends and some true enemies –

***Succeed anyway.***

If you are honest and frank, people may cheat you –

***Be honest and frank anyway.***

What you spend years building, someone can destroy overnight –

***Build any way.***

The good you do today, people will often forget tomorrow –

***Be good anyway.***

Give the world the best you have, and it may never be enough –

***Give the world the best you've got anyway.***

You see, in the final analysis, it is between you and God –

***It was never between you and them anyway.***
